*The other way to hunt...*

## Mouflon Ram in Croatia

**Offer Nr.: 2525**

### **Hunting Area:**

The karstic terrain with dense maquis vegetation and numerous hidden grazing areas is the ideal habitat for mouflon. These exact conditions are found in the coastal area around Senj. The stalks for mouflon are unforgettable and enchanting, with frequent open views of the sea, as the hunting area is directly on the coast.

Accommodation / Meals: Accommodation is in a cozy guesthouse located within the hunting area. The food is Mediterranean and excellent!

### **Time: September to February**

Person: 1 – 4 Hunter

Travel to and from the location: Travel by car or flight.
