

FAIR HUNT

The other way to hunt...

Hunt with the Horse-Drawn Carriage in

Offer Nr.: 2536

The Hunting Area:

The two cooperative hunting areas, totaling 10,200 hectares, are adjacent to each other and are located near the small town of Kapuvár, in the vicinity of a large forestry management area with 14,000 hectares. The flat areas, mostly covered with forest, have an above-average population of red deer and wild boar. Fallow deer and roe deer play a minor role. The mature red stags reach antler weights of around 6-8 kg, while roe bucks do not exceed 250-350 grams. Except during the rutting season, all game species can also be hunted with a horse-drawn carriage upon request.

Guests are accommodated in a self-catering hunting lodge or in a newly built hunting lodge with catering as desired..

Possible Hunting Dates: October to January – by agreement
