### **All-Inclusive Driven Hunt in Romania**

In the Eastern Carpathians, in the counties of Harghita, Sibiu, and Mures, most hunting areas for these driven hunts are located. It is a fantastic area for wild boar, bear, and wolf. Currently, bears and wolves are restricted from driven hunts. Licenses are presently available only for bears or wolves that have caused damage.

The best hunting season is from November to January. Target airports are Sibiu or Cluj, or one can travel by bus. Hunters are accommodated in cozy country inns within the hunting areas.

**Possible Hunting Dates: November 2025 – January 2026.**
